The students of East are very fond of their principal Mr. O. G. Prichard. Through his efforts our school has achieved the very high respect of many people

Mr. D. Q. Williams, our boys advisor and Mr. Prichard's right hand man' is one of the busiest men at East. Counse ing boys scheduling sports events, and directing the night school are but a few of his duties.

Miss. He mireich is perhaps the busiest woman at East High. She advises the student council, sponsors many social activities several clubs, and counsels the girls of East High-

Helping to keep the school running smoothly is the duty of Mrs. Dorothy Crouthamel, the office secretary. Her helper in this big task is Miss Deloit Romig the registrar. Miss Romig keeps a record of everyone in school.

The school nurse Mrs. Alice Clark, deserves a introficred tifor keeping East's students. on their toes " She sends students home for further rest and treatment and re-admits them after recovery from illness

Almost everyone has noticed where the guietest room in the school silves, the brary Miss Carrie Larson is responsible for the library and all of the books in the school

The Quill Staff

If one passed room 16 during fourth hour this semester, he noticed that amidst the clutter of layouts, snapshots, copy, and the buzz of typewriters an eager QUILL staff, under the capable direction of the editor, John Englund, and associate editor, Mary Anne Kranavich, was working diligently with one goal in mind—to make the June, 1951, QUILL the best East High year-book ever published

11A and 12B students recommended by their English teachers are eligible to try out for the QUILL staff by writing on essay. The tiest essays are selected by Mr. Stratton and Miss McBride. Appointments are kept secret until the senior assembly when the new QUILL staff is announced

Extra! Extra! Hear all about the SCROLL staff assembling fifth hour each day in room 16 to write numerous accounts of important school events. More than 2400 subscribers, students and alumni alike, look forward eagerly to this bi-weekly publication. Careful planning and hard work reflect true East High spirit in every page. In addition to the regular issues, the staff also edited a special April Fools paper this semester

The SCROLL is a member of the National Scholastic Press Association which holds a critical service yearly to judge school papers from throughout the nation. The papers are judged on

such points as news content, variety of articles, style of writing, and the liveliness and interest in the articles. The last report gave the SCROLL a superior All-American rating

Several members of the staff attend the State High School Journalism Convention held each year. The SCROLL staff is chosen by Mr. Stratton from the Journalism I classes. The advisors are Mr. Stratton, editorial; Mr. Springate, business, and Miss Hardy art

Hats off to Pat Todd and her 1951 staff for the fine job done in producing the newspaper East High depends on

Student Council

Every semester each home room elects a representative and an alternate to take part in the student council meetings. At these meetings various school problems are discussed under the guidance of Miss Helmreich

The officers of the council this semester were Tom Van Hon, president; John Gooding, vice-president; and Judy Bjork, secretary These students proved themselves very capable leaders

Student Teachers

Persons in this group have been recommended by a teacher and appointed by Mr D. O. Wilson

Their ability in handling a class in the absence of the teacher is an important factor that is considered before their appointment Although they are only occasionally called upon to teach, these seniors are always ready to serve

They are doing their share of learning too They spend approximately one half day here and then try to get from six to twelve hours of classroom work a week at Drake Besides their classroom studies they attend one seminar meeting every week

They may choose to receive from three to seven hours of college credit for teaching in a high school

Band

The delightful strains of music which restand throughout the building fith hour each day send out a message to all that our band is hard at work practicing for its part in the many school activities and programs. East High is indeed proud of the excellent performances of its band throughout the semester. Bosides the usual pep assemblies and baskethail games, the band must also prepare for the spring testival, the Memoria Day parade and numerous other programs. Special concerts given by the band for the junior highs were enjoyed tremendous why students and tacuity. This semester the band consists of sixty two members and six may rettes. It is not average size compared to other bands in the history of East High. Mr. Jack Borg is the competent and likeable director.

Majorettes

The gay red costumes and flashing batons of the majorettes present a picturesque scene as they strut down the football field leading our band on parade. The majorettes participate in the various band maneuvers and formations for halftime entertainment also. These girls are chosen for their ability to twirl batons and to march with the band. Mr. Borg is their advisor

East High Orchestra

Mr. Borg, a former member of the East High Band, is now at East High once again as the director of the band and orchestra. After being graduated from East, he attended the University of lower where he gained much recognition as a member of the university band.

Although the orchestra does not seem as active as the band, it has the great responsibility of providing music for the school plays, special programs, and for senior week

This semester the orchestra has thirty four members all of whom deserve much credit for their hard work and the many fine programs presented. The assembly ushers consist of students from Mr. Wilson's, Mr. Harnmond's, and Mr. Goodwin's homerooms

These fearless martians stand bravely in the paths leading to the auditorium to keep anyone from being trampled

East High has such wonderful assemblies it is no wonder students get a little over-anxious

Electricians, Audio-Visual Aid

As we all know, Mr. Yount has trouble in his otherwise happy life because lights and public address system are necessary for the presentation of an assembly or any other type of program at East High. This semester he is indeed fortunate to have a number of capable students to run the class room movies and handle the lights and P. A. at assemblies. Few realize the trouble that Mr. Yount and these students go to just to bring us one assembly or class room movie

Nurse's Helpers

If you have been sick this semester, on your return to school you were probably faced by one of these girls, thermometer in hand. While you were awaiting the removal of that uncomfortable mercury-filled tube you probably noticed that this girl was spending her study hall time helping Mrs. Clark, the school nurse, by keeping books and doing other routine office tasks. By doing this work these girls are gaining experience that will be of great value to them after they leave school

Cafeteria Girls, Candy Sellers and Movie Help

We meet some of these people almost every day we are in school, but we don't see any one of them for very long because they are so busy Some ring up the lunch sales and make our change, while others who work in the cafeteria and front hall sell us candy and potato chips for our enjoyment in the movie. Still others take our sacrifice of two coppers for the privilege of seeing a reel of the noon movie

These are the only people in East High who really clean up. The eight men aided by Miss Ruby make East the efficient school that it is by doing a good job of heating, ventilating, and cleaning. You may see them any time during the school day busy at work. Few stop to realize that the custodians' task is never done. Our custodians and engineers start to work early in the morning and continue until late at night

This play, presented April 13 and 14, was under the direction of Mrs. Juniata Laser

Library Staff

To us, it seems amazing, the efficiency of organization of our school library. As a rough approximation we might say the library contains two thousand books, and the library staff, under Miss Larson, is in charge of all these books

It is a fine job which they do. A different set of the staff serves each period in the day They are chosen for the position by Miss Larson and relinquish their study hall period to serve

Clerical Staff

The Clerical Staff is virtually the news center of the school. These girls are chosen from the business and commercial classes for their adroitness in stenographic skills. They work in the offices of the school typing, taking dictation, filing records, answering telephones, delivering messages, and so on into the night

Much of the administration of the school is carried out by or through them. In such an institution they are of vital importance

Movie Operators

These fellows under the direction of Mr Walter Stephens make our noon hour a bit more pleasant by bringing us the noon movie. Most of these fellows devote a large part of their lunch hour to preparing a reel of film for showing to the students. The trouble for the shorter operator just starts when the movie gets under way as he has to stretch his neck to even see the movie through the small observation slot that is provided for this purpose

Movie and Play Ushers

The movie ushers are under the direction of Mr. Stephens. These students donate their study hall time in order to participate in these duties. Their duties are to collect the admission, maintain order, and keep the doors shut These students are to be congratulated for their fine assistance

These play ushers served during the two evenings on which the play was presented, the 13th and 14th of April. These students voluntarily donate their time to assist in the seating of the audience

Messengers

Here are two boys who are willing to brave storms and overcrowded busses to keep our school in contact with the school board office, and our swimming pool safe. On the left see John England who each day carries a six-ounce sample of water from our pool to the city hall for the purpose of having the water tested. On the right is Jack Stokes who conveys momentous dispatches between East High and the school board offices. Needless to say Jack expects to have the larger muscles by the end of the semester

Senior Debs

This club, open only to Senior A girls, was reorganized just this semester. The Senior Debs will be dissolved unless the present Senior B girls take enough interest in this organization to continue it

This club's advisor, Miss Helmreich, aided by the president, Joan Humphrey; vice-president, Jeanette Christensen; secretary, Ethel Shirk; and treasurer, Marilyn Henry, have done a commendable job of providing good programs for the club

Among the many activities of the Senior Debs this last semester were a swimming party in our own pool, a birthday grab bag party, and a visit to the Art Center

This club meets twice a month just as the other girls' clubs do

Modern Miss

The Modern Miss Club, organized several semesters ago, is open to girls of any grade in East High School. The advisor of this club, Miss Grace McEniry, the club officers, and members of the club are doing a fine job of extending the aims of the club. The purpose of the girls in the club is to improve themselves, be of service, and develop sociability

SHAKESPEAREAN

Shakespearean Club

The sponsor of the Shakespearean Club was again Miss Sara McBride head of the English department of East High. The citicers for this last semester were president Ervin Hanson vice president, Halita Hogue; and secretary, Gretchen Lindfelt.

Only those students who are enrolled in senior English are eligible to be members of the club Approximately twenty new members were initiated this semester.

Philomathean Club

This semester's Philomathean Club was again sponsored by Mrs Baa — Priscilla Knop president, Pat Knop vice president Borbara Turner secretary and Gleria Vesta i treasurer were the officers. Hillighting this last semester were a St. Patrick's Day Party the Ail-Gir's Banquet, and a visit from a noted Des Moines hair dresser. Any girl's eligible to be a member of this club.

As fine a bunch of boys as the Hi-Y is seldom seen. The club has as its aim good Christian fellowship, coupled with a lot of fun. Once a week the group meets to enjoy programs of varied interest. They are closely associated with the Y M C.A. Each year they sponsor such a worthy project as selling Christmas trees to help underprivileged children. Gus Rump is the likeable advisor of the club, and Dean Airy is the president this semester

Booster Club

We wish to take no credit away from our fine teams, but our winning depends a good deal on the pep of this boisterous mob (which name we use for want of a more descriptive title). Their ringleaders would seem to be the cheerleaders who fire them on to greater shouting effort. With such an excess of spirit we can count on their group to display with tolerance the real spirit of East High

In the tournament East Des Moines beat Mason City Hay Family 61-39 and Forest City 44-50. In the next

game they lost to k and 37.46 and ther 1 st a heartbreaker to Ke kuk 45.43. East High now has another prize to add to its to provideses as the team brought hime algorizerus silver trophy which they won as consolation runner-ups. All members of the team were outstanding and they tinished with a good showing of 19 won to 6 lost.

Second Team Basketball

The second basketball team, under the tutorship of Coach Ray McAdams, progressed nice y this season. Three of the second team boys moved to the first team at mid-year graduation. These boys were Bob Maneely, Dick

Tuler, and Bob Manaftee All the first team players gain their experience by starting on the second team. The seconds play the opener in the regulation games. The team has a 9 won, 9 lost record this year.

Swimming

The East High swimming team, under the helm of Coach "Scotty" Russell and sparked by Captain Jack Schoch, experienced a deadly feared slump

The Scarlet tankers remained unvictorious this season, but refuse to accept the long-

known fact that our present facilities are inadequate

Looking into the future we see a team, this year spotted with sophomore and juniors, becoming a possible contender for a city and state berth next season

Track Team

The track team this year is again expected to bring back many victories and trophies to East High. Last year the team won many track trophies and this should be duplicated with even more added

The team as a whole is well-balanced with good prospects in both the field events as well as many running events. Bolstering the squad are these returning lettermen: Reginald Atkins, Duane Dunagan, Jack Harvey, Bob Jones, Ray Kaiser, Basil Neff, Bill Peters, Jack Terrell, Bob Zust and Dick Wade. Their schedule is given in the left column

STUDENT MANAGERS

Student Managers

The student managers are a deserving group. They receive no personal recognition as the other teams but they do deserve it, as they work hard. Their duties are to hand out uniforms and take care of the equipment. In return for their services they may receive a letter at the end of the year

Girls' Tennis Team

The girls' tennis team hopes to have a good year. They are coached by Helen Spencer Although they haven't played any matches, in their practice sessions they have looked quite promising. The team lost no regular players at mid-term graduation and are well equipped They practice nightly at the Birdland or Amos Hight courts.

Boys' Tennis Team

The boys' tennis team, although losing three regular players, look as if they will come up to the standards of previous years. They (supposedly) practice regularly each morning and evening at the Birdland and Amos Hight courts. The big event for the tennis squad is the district and state meet. The team made a good showing last year and hope to do as well this year. The squad is coached by Raymond Gewerth.

Girls' Golf Team

The girls' golf team, ably coached by Walter Barnard, hasn't had time as we go to press to make much of a showing. All the girls of last year, with the exception of one or two, are out for golf again this year. The girls work hard and practice Manday and Thursday nights at the Grandview golf course

Flash! The girls' golf team of East High are the new city champions

Bill Hutchinson, John Wright, Al Hammer, Bill Kennedy, James Thompson, Jack Peterson, Bob Batye

Boys' Golf Team

The same halds true concerning the boys' galf team. It is coached by Walter Barnard also. The season isn't well enough along to predict the final outcome but from what we've witnessed, the team looks promising. Returning lettermen are Jim Johnson and Jack Peterson

Row 1 M r H ; Row 2 h i i

Wrestling

Despite the fact that the Scarlet grapplers were not consistent winners, the fight and skill found in Coach Charles Gregory's team drew enthusiastic crowds

East High's showing in the state meet more than compensated for earlier losses, as East sent five representatives to the meet. Successful contenders were Dean Airy who won third place in the 145 lb division and Dick Wade who won the heavyweight champion-

The boys representing the school all had excellent individual records. They were Dean Gordon, Fred Sharp, Dean Airy, Lou Boyles,

DICK WADE State Heavyweight Champion of laws

Baseball

Troubled in their early practices by bad weather, the baseball squad had the first game of the season, which was against North High, rained out. Although the team hasn't had much out-door practice, from what we have seen, they appear to be a well-balanced team with a chance of making a commendable record

Jerry Gordon, Fritz Kasner, Walter Johanson, Herk Campbell, and Dean Gordon are the only returning lettermen. Therefore, the team will have to work hard to come up to the standards of last year's team. However, under the capable guidance of Herb Hein, the boys should develop into an aggressive ball club

During the summer, many of the boys played for the Ruan Cab Co. in the American Junior Legion League. This experience is proving to be a valuable asset to the boys

The schedule is as follows
Tues., April 10—North
Fri., April 13—Roosevelt
Tues., April 17—Tech
Fri., April 20—Dowling
Tues., April 24—Lincoln
Fri.-Sat., April 27-28—Big Six

Cheerleaders

Headed by Neal Llewellyn, dressed in snap py new uniforms, East's peppy cheerleaders are four in number. The cheerleaders are always present and talk up the team before the games, at time-outs and between halves. This year the leaders have initiated severa unique and interesting yells. They also play a prominent part in all pep assemblies and other athletic promotions.

G. A. A.

Athletics is an essential part of the curricuum of East High girls—(that's for sure, if you don't take part, you can't graduate.) After school, girls may earn points toward a letter by participating in juggling, tumbling, basketball and swimming. The four officers pictured below try to keep the girls interested and make it enjoyable to take part in all G A A activities

QUILL AD CLUB

The Quill has an advertising set-up that is envied by many schools and equaled by none. Actually, the advisors know of no other school anywhere that has developed a similar plan of cooperation between the commercial and journalism departments

The salesmanship and merchandising students, under Mr. Lester Gabel's efficient direction, consider the Quill advertising sales campaign to be a practical project in selling. They discuss proper selling techniques, the attitude of the salesman and his approach to the prospect, and reasons why Quill advertising will be valuable to the business man. They learn how to answer questions and objections and how to close a sale. Out in the field, when calling on prospects, they develop a large bump of knowledge from actual experience. The experience is education at its best

Every student strives to attain the rank of "Quill's Men," an exclusive group composed of salesmen who have sold \$75 or more during the campaign. Many others who do not reach this mark become members of the \$25 Club

And last, but not least, this group does a masterful job, on the side, of selling ads for the programs of the Spotlight Parade," thus helping to make the proposed stadium a reality
